

Private Equity Working Student at Gimv

About Gimv

Gimv is a European investment company with more than four decades of experience in private equity and venture capital. Gimv is listed on Euronext Brussels and currently manages around EUR 3.7 billion of investments in about 60 portfolio companies.

As a recognized market leader in selected investment platforms, Gimv identifies entrepreneurial and innovative companies with high-growth potential and supports them in their transformation into market leaders. These companies can be in different stages of their life cycle; from young companies with strong growth ambitions to healthy and established companies with the ambition to become a trendsetter. Gimv's five investment platforms are: Consumer, Healthcare, Lifesciences, Smart Industries and Sustainable Cities. Each of these platforms works with a skilled and dedicated team across Gimv's home markets of the Benelux, France and the DACH region and can count on an extended international network of experts.

Gimv was recently recognized as an employer of the future.

What do we offer?

We offer a unique opportunity to gain work experience in the Private Equity sector (min. period required are 6 months). You will work cross-platform (Consumer, Healthcare, Smart Industries and Sustainable Cities) as a member of the investment team. As a working student you will support the team over the full investment cycle (from origination to investment, over portfolio management and exit) and will have the opportunity to:

- Become familiar with industry standard research engines and databases
- Develop your investment and financial analysis skills
- Gain industry insights through close collaboration with our experts
- Develop your soft skills and network through internal and external meetings

We offer a challenging environment with room for own initiatives, complemented with the required training, as well as a market standard compensation package.

Key competencies and qualifications include:

- First-class business, economics, science or engineering degree
- Previous experience in the Corporate Finance environment
- Financially numerate with excellent Microsoft Office skills
- Excellent communications skills, fluent German and English
- Strong analytical skills
- Self-starter
- Entrepreneurial mindset
- Demonstrable interest, experience and understanding of specific sectors we focus on

Please send your CV + cover letter (max. 1 page) clearly indicating your availability to internships.germany@gimv.com we are looking forward to hearing from you!
